THE SOLANO LAND TRUST'S
RUSH RANCH
1864 BRICK CAMPAIGN

“Hiram Rush started acquiring the land that became Rush Ranch in 1864.”

As part of the new Nature Center now under construction at Rush Ranch, we are planning a brick patio area with native plant landscaping. Our goal is to sell 1,864 bricks to help meet the Rush Ranch Challenge. Your brick will become a permanent message of support for Rush Ranch.

Rush Ranch is the oldest of our seven open-space areas and covers 2,070 acres of marsh and rolling grassland. The natural areas of the property, along with the historic working-ranch buildings, provide recreational and educational opportunities to thousands of school children, youth, and visitors each year. This is your chance to leave a permanent legacy at the center that will showcase the natural and historical treasures of Rush Ranch for all to enjoy. Get in on the “ground floor” now!
